

AGPU 2023

February 11, 2023

The AGPU was upon us all to soon!
What a year we have had!
A fabulous Outstation Run to Koh Phangan!
A donation of Medical Air Mattresses and Nebulizers to Nathon Hospital.
Finishing with the Jewel in the Crown,
An outstanding 1,000th Hash Celebration.

Of course, our GM, No Fuckin Clue, managed to live up to his name and messed up the AGPU shirt. Thinking we were leaving the year of the Rat and entering the year of the Rabbit he designed his shirt!
Fail! We were leaving the Year of the Tiger!

No Fuckin Clue and Leopard Piss were able to design a trail which had a Runners, Walkers and a VIP route.

It was a glorious day, and the Walkers were sent off along the beach in advance of the Runners. They were given a Heads Up and avoided the first of the notorious Back Checks that Leopard Piss is famous for!

It was soon off the Beach and onto the Trails.

Big (and I mean Huge!) shout out to Dogs Bollocks who built an amazing bridge!

At the VIP Split

An empty Beach

FRB's coming in! Urinetrouble and Banana Bender!

And the Runners were pouring in now!

Easy Slider

Foghorn Leghorn

Crive

Kojack

Corky

And the Walkers Heading in!

And what better to end a Hash on a Hot day!

Just Chillin!

First Priority!

Move the Ice to the center of the Circle!
It's gonna see a lot of action!

Lets get this show on the road!
Hares in the Circle with Hash Shit!

It's the AGPU! It was a fabulous Hash!

A variety of
people were
iced for
numerous
offences!
Down Early
always seems to
be there!

The FRB's!

The Thai Ladies who helped out so much this year!
Enforcers! Helping with Down Downs!
And all that fabulous food!

Much thanks to Pickalilly who was on hand for the Down Downs each week

It was decided to rename Inapickle to Mr. Ramsdale

I'll let him explain!

We had great Hares all Year. And they all put in a lot of work.
But.....by a unanimous decision
Quartermaster and Tutti Frutti were always a cut above the rest
And they provided food!

Hash of The Year Award

There was only one candidate for Short Cutter!
Down Early had it by a mile.
Here she is with some co-conspirators!

Short Cutter of the Year Award

The FRB'S of the Year

Urine Trouble and Frogs Legs

(with Easy Slider sitting in for Frogs Legs)

This was another No Brainer as Crive has prevented a drought by watering the Island with his Blood!

Hash Crash of the Year

Another easy decision as Brothel Bob got Hash Shit
I'm sure he loved it for the Beer!
