

Hash 1031

Winkle and Forbes Skin  
Were our Hares today.

We celebrated  
**Canada Day**  
with them!

It was a wet and windy start!

It's that way!

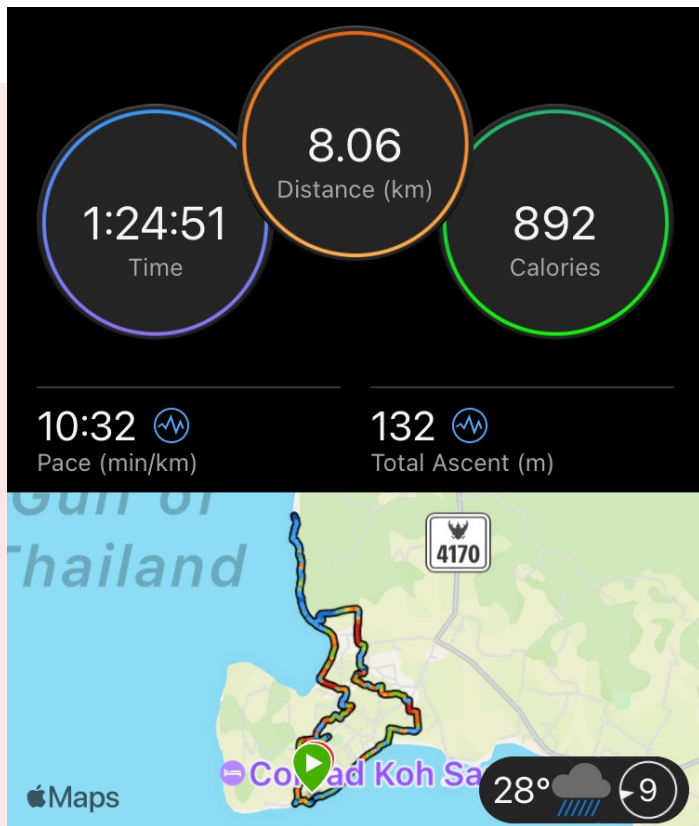

The trail took us out along the Beach.  
Some of us stayed on the Beach longer than others!

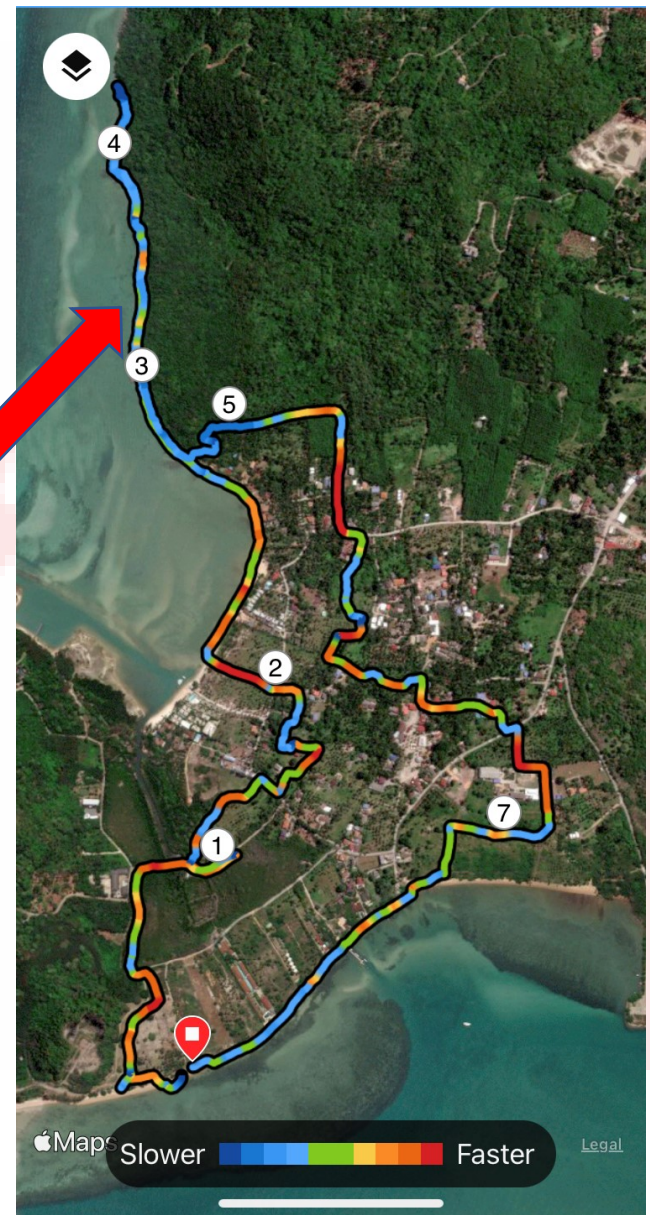

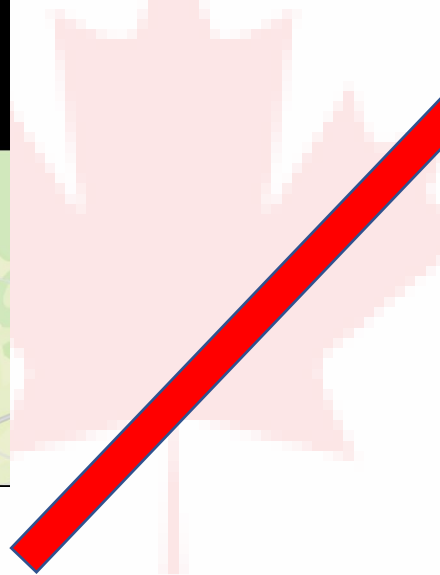

The GM asking the Hares why it was  
an 8km Hash!  
Weren't we supposed to get back here  
and drink to celebrate Canada Day?

OK....The GM and a few others may have  
Gone a Tad to far up the Beach!  
Yup!

No F'ing Clue lives up to his name once again!

The GM announced  
**Free Beer!**  
Which pretty much cures everything!

Ball Snipper hates it when I ask her to  
be the Walking Steward!  
So, she just picks on a few friends  
to have a Beer with!

Mr Bean joined us,  
and it was good to see  
Strollin Bones and Comic Strip  
Back at the Hash!

We had a couple of visitors!

And Bin Runnin celebrated a Birthday!

Frogs Legs was the FRB.  
Again!!

Frogs Legs was also the  
Hash Crash!

Next weeks Hares.  
No Balls and Happy Endings!
